RULE 1 – GENERAL PROVISIONS AND PURPOSE

1.1 Authority.

The North Central Regional Transit District (hereinafter the “NCRTD” or the “District” has the responsibility and authority to enact these Personnel Rules and Procedures pursuant to NMSA 1978, Section 73-25-5.

1.2 Prior Rules.

The District Personnel Rules and Regulations (hereinafter the “Rules”) in effect prior to the date of adoption of these amended Personnel Rules and Regulations, and all amendments thereto are hereby superseded. These policies also supersede all previous written and unwritten guidelines and past personnel practices of the District and also supersede any current department or division policy or procedure inconsistent with those set forth herein. Separate department or division policies that are more restrictive due to the operational needs of the department or division shall remain in effect, subject to the approval of the Executive Director.

1.3 Compliance.

All persons operating under the provisions of these Rules shall conform to, comply with, and aid in all proper ways in carrying out the provisions of these Rules.

1.4 Purpose.

These Rules are prescribed for the purpose of providing a modern personnel system, thereby promoting efficiency in the conduct of public business and assuring fair and impartial treatment to all applicants for employment and to all employed by the District.

1.5 Management Authority.

A. The District is created pursuant to state statute by way of an intergovernmental contract between its member entities who appoint representatives to the Board of Directors (hereinafter the “Board”) for the District. The Board determines and enacts District personnel policy. The Board does not make personnel decisions other than the selection of the Executive Director.

B. The Executive Director serves as the chief executive officer of the North Central Regional Transit District (“District”) and is responsible for the administration of the entire District including any divisions or departments which may be created. The Executive Director executes the policies and directives enacted by the Board and supervises the expenditure of appropriated funds. Authority is delegated to the Executive Director for the administration of the District’s Rules. The Executive Director may issue interpretive memoranda as may be necessary to interpret and enforce the provisions of the Rules. No contracts of or offers of employment may be made without the consent and signature of the Executive Director.

C. The District retains all customary, usual and exclusive rights, functions, prerogatives and authority connected with or incident to its responsibility to manage the affairs of the District. The exclusive prerogatives, functions and rights of the District include but shall not be limited to the following:
1. Determine the mission, budget, organization and number of employees allocated by position to meet the minimum staffing levels of its operations and departments;

2. Determine qualifications for employment; validate content of examinations; make requests for position audits and reclassifications; and ensure that best practices exist for the recruitment, interviewing and selection of applicants;

3. Direct employees and evaluate their performance based on standards of work established by the Employer;

4. Make assignments, transfer, or retain employees in positions, and make determination of job duties;

5. Provide reasonable rules and regulations governing the conduct of employees;

6. Provide reasonable standards and rules for employees' safety;

7. Determine the location and operation of its facilities;

8. Determine standards for work, hiring, promotion, transfer, assignment and retention of employees in positions;

9. Initiate corrective and/or disciplinary action including, but not limited to, coaching and guidance, written reprimands, suspensions, demotions, alternate forms of discipline, transfers and terminations;

10. Determine scheduling and all other actions necessary to carry out the Employer’s functions;

11. Relieve an employee from his/her duties because of lack of funds, reduction in force, inability to return to work, or other legitimate reason; (note not in CBA)

12. Maintain efficiency of government operations; determine methods, means, equipment and personnel by which the Employer's operations are to be conducted;

13. In cases of an emergency or declared disaster, take such actions as may be necessary to carry out the missions of the Employer even if it requires some variation from the strict application of these Rules or any collective bargaining agreement; and

14. Act in furtherance of all other duties and responsibilities set forth in the Constitution, federal laws, state statutes, administrative regulations, and executive orders of the President and Governor, as well as North Central Regional Transit District Resolutions, and these Rules.

This list is not an all-inclusive list of all of the District’s rights, functions, prerogatives or authority, but only serves a general guide. The District expressly reserves, and the District retains all customary, usual and exclusive rights as set out in in this paragraph of these Rules, unless expressly set forth to the contrary in any agreement.
1.6 Coverage.

These Rules cover all District employees except the Executive Director to the extent that his contract of employment varies from these Rules.¹ Notwithstanding the general application of these Rules to all employees the District can and shall, within the prescribed limits of the law, provide different standards for performance, review, and disciplinary action based upon the duly adopted Classification and Compensation policies of the District. These Rules do not apply to independent contractors who are not covered by the District Classification and Compensation policies.

Furthermore, it is recognized that the District has certain employees that are covered by a Collective Bargaining Agreement. The specifics of the Rules herein have not been the subject of collective bargaining. The Collective Bargaining Agreement recognizes the District’s right to establish and maintain such Rules. The Rules contained herein shall apply to bargaining unit employees so long as and to the extent that they do not conflict with the terms of any Collective Bargaining Agreement.

1.7 Merit Principles.

The District adopts the following merit principles as standards for implementation of these Rules:

A. Recruiting, selecting, and advancing employees will be on the basis of their ability, knowledge, and skill, including open consideration of qualified candidates for initial employment.

F. Merit principles may be administered by way of performance and development plans.

1.8 Nepotism Prohibited.

A. Persons shall not be employed by the District in a position where they would supervise or be directly supervised by any person related to them by blood or marriage to the third degree, or where they would supervise or be directly supervised by a domestic partner. It is incumbent upon all employees and candidates to inform the District of any relation or relationship which could limit or effect the employee or candidate’s hiring, promotion, transfer or management of other District employees under this nepotism policy. Failure to report a relation or relationship

C. The Executive Director, and all Supervisors may neither immediately supervise nor directly hire relatives as defined above.

D. The District shall refrain from hiring, transferring, and promoting employees where such action would violate the terms of this nepotism policy. If the District was not aware of a situation that would constitute a violation of the terms of this nepotism policy and becomes aware of the situation after the fact, the District shall take any steps necessary, up to and including transfers, demotions and termination of employees, in order to ensure that this prohibition on nepotism is upheld.

D. **Failure to Report.** Failure to report any threats or acts of violence in violation of this policy is itself a violation of this policy, and may subject any employees involved to corrective action. This includes reports by supervisory personnel who may be privy to threats that have been made by another employee.

E. **Retaliation.** Retaliation against anyone for reporting in good faith an actual or suspected violation of these Rule will not be tolerated and will subject the individual engaging in the retaliation to corrective action. Any complaints about retaliation may be reported in the same manner as violations of these Rules are to be reported.

Supervisors are responsible for maintaining attendance and tardiness records on their employees.

D. Standards for Dress and Appearance: The District is a professional organization. All employees must present a professional appearance by wearing attire appropriate for their job classification in order to promote a positive image of the District and its employees and operations. The general public, other agencies and co-workers may form their initial impression of the District’s professional credibility solely on employee appearance. Therefore, it is the responsibility of each employee to ensure that the District’s image, appearance and professionalism is preserved through appropriate dress and appearance. This policy is intended to provide general standards on dress and appearance and is not meant to address all situations. There may be differences in some dress standards depending on the nature of the work environment, nature of the work performed, involvement with the public, required uniforms or other circumstances. Employees may submit rebuttal statements to performance and development plans which will be attached to the performance and development plan. Management may consider the rebuttal and may elect to change the performance and development plan based upon the rebuttal. But, nothing in the rebuttal shall serve to abridge management’s right to prepare, submit, evaluate, update and potentially take disciplinary action or require training based on the performance and development plan nor shall management be compelled to change its performance and development plan by the submission of a rebuttal.

1.19 Training.

A. The primary responsibility for training employees shall be assumed by District management. However, the needs of the District and service to its constituents may dictate overtime usage and supervisors are responsible for raising the budgetary needs and impacts of overtime usage with the Executive Director as early as possible to ensure a proper balance is struck between staying within budget and meeting District service needs.
B. Exempt Employees who work more than the normal work week (forty [40] hours), are not eligible for overtime pay. The basic compensation of exempt employees is based on the amount of work necessary to complete the assigned functions and is not based upon a set number of hours per work week. Time worked more than forty (40) hours per week is not eligible for compensation during the course of employment or upon termination. However, at the discretion of the Executive Director, exempt employees may be granted administrative leave in consideration of their work efforts.

C. Overtime will normally be permitted or required when service demands present no other reasonable alternative. Because of the size of the District and the nature of the Districts business supervisors and managers may require individual employees to perform overtime work based upon their geographical location and access to District property and equipment. However, when a supervisor has determined that overtime work may be equitably distributed, employees may be required to work a proportional share of the overtime assigned to the employee's Classification or work unit. Refusal to accept an overtime assignment may result in disciplinary action.

D. Nothing in these Rules shall be construed as limiting the authority of the District to schedule Employee work time and to limit all work within the Workweek to forty hours. The District reserves the right to reschedule hours or days of work to limit the use of overtime and to require the use of leave by employees when they do not actually work their scheduled hours during a Workweek.

E. Non-exempt employees shall be compensated for overtime at one and one-half (1 1/2) times their hourly rate of pay unless otherwise specified in the Fair Labor Standards Act (FLSA). Non-exempt employees shall be paid for overtime within the pay period that the overtime is worked unless the employee elects to receive compensatory time in lieu of paid overtime. Such compensatory time shall be accrued at time and one-half.

F. The following hours are considered as hours worked for the purpose of qualifying for overtime pay at the rate of time and one-half.

1. Hours actually worked;
2. Paid holidays;
3. Hours allowed for voting time;
4. Jury duty;
5. Hours allowed for court duty when appearing as a witness on behalf of the District or because of an official capacity with the District; and
6. Training time.

G. The following are considered hours not worked and will not be counted toward overtime/comp-time eligibility. Excepting only the provisions above, an employee must be physically at work
more than forty (40) hours per week and cannot use the following time to obtain overtime/comp-time eligibility:

1. Vacation;
2. Sick leave;
3. Military leave;
4. Funeral leave;
5. Injury leave;
6. Lunch break or meal periods;
7. Comp-time hours used;
8. Standby time
9. Travel time between home and work
10. Show-up pay

Travel time may be work time depending upon the nature of the travel. The District will maintain a matrix showing compensable and non-compensable travel time.

3.17 Compensatory Time.

A. In some cases, compensatory time may be granted to Classified Employees in lieu of cash payment. Classified Employees may accrue and use up to forty (40) hours of compensatory time annually in any single fiscal year. In the last pay period of the fiscal year, all accrued but unused compensatory time shall be paid to the employee.

 Classified Employees who separate from the District shall be compensated for all accrued compensatory time.

3.18 Holiday Pay.

A. All Non-Exempt Employees who are required to work a holiday shall be compensated at the rate of one and a half (1.5) times their hourly rate for all hours worked and shall also receive pay for holiday time describe below as a benefit.

B. All employees who do not work on a holiday shall be paid an amount of holiday pay calculated at the employee’s straight time hourly rate. Holiday pay is based on eight (8) hours of pay for full-time employees and prorated hours for part-time regular employees. An employee whose Workday is in excess of eight hours will be required to utilize compensatory time or annual leave for any absence in excess of eight hours on the day that the holiday is observed unless the required use of leave is prohibited in a CBA or by law.
C. In order to be eligible for holiday pay the employee must be in approved paid status on both the regular scheduled workday immediately preceding the holiday and the regular scheduled workday immediately following the holiday. Approved pay status is defined as any compensable time such as time spent at work, as well as approved vacation, approved sick leave and holidays. Employees will not receive holiday pay for an unpaid or unapproved absence(s) or unapproved sick leave usage (unless the sick leave is from a proven illness, that has been certified by a medical provider) on the regular scheduled workday immediately preceding the holiday and the regular scheduled Workday immediately following the holiday.

3.19 General Wage/Salary Adjustments.

It is the intent of the District to consider prevailing practices related to cost of living and market trends in establishing wages and salaries which constitute any formal Compensation plan. Any change in Compensation will ultimately be based upon the anticipated affect(s) upon the District budget. The Executive Director, based upon Board of Director’s approval, will make final determinations of any changes regarding Compensation. If general, across-the-board, adjustments in Compensation are approved for District employees, then the change will be effective on a date determined and approved by the Board of Directors. General adjustments in Compensation are separate and distinct from merit based adjustments to Compensation. General adjustments may affect the Compensation plan only, potentially shifting the pay of all employees in relation to the midpoint without changing individual Compensation.

Adjustments to any Compensation plan may be determined periodically through analysis of market trends in comparison to cost-of-living (COL). The District may utilize either market survey results or cost-of-living index data (federal) or a combination of both. If the District’s Board approves an adjustment to a Compensation plan, all employees, except those being red circled (frozen for having reached the top of their salary scale), shall receive the benefits of such general COL adjustments to the pay plan unless such employees are represented by a union and such adjustments, if any, are governed by a collective bargaining agreement.

In determining the total compensation value of the position, benefits and changes to overall costs of the District from Employer contributions must be considered. Base salary plus all employer cost of benefits constitutes total compensation. In comparing benefit packages provided in the labor market, the District may evaluate both level and cost of benefits or other factors as deemed appropriate.

3.21 Pay Upon Separation from Employment.

When employees are separated from employment with the District for any reason, they shall be required to return all District property and equipment and to resolve all financial obligations involving their employment with the District. Any such obligation not resolved prior to separation may be itemized and deducted from their final paycheck as contested amounts which the District claims to the extent that the deduction is legally authorized and not in violation of minimum wage requirements. The employee’s final paycheck, including compensation for all uncompensated hours worked, unused annual leave and overtime not disputed by the District, will be issued on the next regularly scheduled pay period following termination or within 10 days of separation from employment.
employment whichever is sooner. Claims for disputed amounts must be timely filed by the employee with the District following issuance of the final paycheck.

3.22 Pay Advancement.

It is illegal for the District to make pay advances to employees and no such advances shall be authorized or made. Furthermore, the District may not pay employer’s share of any paycheck deduction in a manner that would constitute an extension of credit in violation of the New Mexico State Constitution. Employees who have expended all leave and not returned to work may be required to tender the full amount of any premium or contribution due for continued participation in employee benefits pending their return to work. Nothing herein shall be deemed to require the District to continue to employ an employee or hold open a position for an employee who has not returned to work.

3.23 Standby pay and callout pay.

The Executive Director is authorized to establish administrative regulation regarding standby pay and callout pay for employees required to be available at times outside of the regular work schedule or any such time as the District requires the employee to be available. However, nothing herein shall authorize any pay that would be in violation of the District Compensation and Classification Plan, any Collective Bargaining Agreement or federal and state laws.

3.24 Out of Classification/Temporary Assignment Pay.

The Executive Director is authorized to establish administrative regulations regarding employees who are assigned additional duties and responsibilities of a different job or Classification in addition to their regular job duties. The Executive Director is authorized to increase and employee’s pay by up to ten percent (10%) on a temporary basis for out of classification/temporary assignments. The Executive Director shall provide any employee assigned such additional duties a written statement outlining the specific additional job duties or tasks the employee is responsible for and explaining that any increase of pay under this rule is for the additional job duties and shall only be paid for so long as the employee performs the additional job duties. Nothing herein is intended to allow or require any District employee to perform job duties that they are not qualified to perform. Employees should also be advised that out of classification pay is expressly authorized in instances where an employee is qualified to perform some but not all job duties of another job and that the temporary assignment of partial duties does not indicate that the employee is qualified to perform all the job duties.

RULE 4 – EMPLOYEE WORK WEEK, HOURS AND LEAVE

4.1 Work Week.

A. The Work Week for full-time employees shall consist of forty (40) hours in a seven-day period. The standard Work Week commences at 12:00 a.m. every Saturday and ends at 11:59 pm. on Friday. However, the Executive Director has the authority to vary the Work Week if the efficient operation of the District so requires. There are two Work Weeks in a pay period.

B. The District may impose a work schedule for each particular position altering the specific hour of work for the position to meet District needs. Work schedules may require any combination
of hours within a Work Week deemed necessary for District operations including but not limited to split shifts, scheduled work on weekends or holidays, scheduled work in early morning and late evening hours, and scheduled work consistent with routes bid under any current CBA. Failure to follow any District work schedule may be grounds for disciplinary action.

C. Hours worked within a Work Week shall be tabulated by including all hours worked by an employee as contributing toward the forty (40) hour Work Week and only permitting or requiring the use of leave or the payment of overtime when actual hours worked exceed or fall short of the 40 hours required for a Work Week.

4.2 Work Day.

The Work Day shall be determined by the Executive Director to best meet the needs of the organization and the work day may vary by position depending upon the operational needs of the District.

All Exempt employees and any Classified Employee who performs administrative support work for the District shall generally be required to work from 8:00 A.M. to 5:00 P.M. Monday through Friday unless an alternative schedule is approved for the specific position.

B. Normal work hours for Classified Employees who do not perform administrative support work shall be set by the supervisor, with the approval of the Executive Director. Consideration should be given to shift requirements, seasonal conditions, special service needs and other activities necessary to provide a continuity of public service. Occasionally, it may become necessary to deviate from the normal work hours due to changing District requirements, availability of properly trained and licensed employees and unforeseen events and conditions. It is the responsibility of supervisors to prescribe work hours in such cases.

C. Lunch Breaks shall be set by Supervisors with the approval of the Executive Director generally a one-hour lunch break shall be provided to all Classified employees; however, work schedules and other job-related functions may necessitate variations in the scheduling of the lunch break.

D. Relief periods are permitted for the purposes of breaking up a continuous period of work to improve the well-being and performance of employees. Relief periods may be granted as time permits but should be limited to fifteen (15) minutes, once in the first half of the work shift and once in the second half. Employees shall not combine two (2) relief periods into one, nor shall they be allowed to combine a relief period with a lunch break. Relief periods shall not be used or skipped in a manner that permits employees to start or leave their work early. Employees are not permitted to leave the work site during a relief period.

Employees may be permitted to have family members or acquaintances at the work site during a meal period break if authorized in advance by their supervisor and as provided for by the District’s “Visitors in the Workplace” administrative policy.
Supervisors shall not permit Classified employees to forego their lunch break or continue working while having lunch or allow any similar changes to the work schedule that would permit or require accumulation of uncompensated overtime. Lunch breaks shall not be eliminated or shortened so that employees can alter their regular schedule in any way unless previously approved by the employee’s Supervisor and the Executive Director.

4.4 Other Employment while on duty for the District.

No employee shall engage in any other employment or self-employment, during the hours the employee is scheduled to work for the District. Violation of this Rule may be grounds for disciplinary action.

4.5 Outside Employment.

A. It is anticipated that employment with the District will be the employee’s primary duty and all employees are required to ensure that any other employment does not interfere with their ability to fully and professionally perform their duties as District employees. All employees engaging in employment other than with the District must have prior District approval.

B. To assure no conflicts exists between District employment and outside employment (including but not limited to conflicts of interest, schedule conflicts or travel conflicts) employees who engage in employment in addition to their District employment are required to obtain written approval on a prescribed form from the Executive Director.

C. Before an employee may work for any other organization or engage in business for himself/herself, approval of the Executive Director is necessary to determine that:

1. Neither the employee nor his/her subordinates shall conduct any business connected with the employee’s outside employment while on duty.

2. There is no conflict between the employee’s official duties with the District and the proposed outside employment.

3. The employee is serving the District satisfactorily and will be able to do so if he/she undertakes outside employment.

D. Approval authorizes outside employment for a period of one (1) year from the time of approval. The employee must re-apply on a prescribed form for continued approval annually so long as employee wishes to continue outside employment.

E. Authorization to engage in outside employment shall be suspended during periods of sick or disability leave.

Should an employee be on an authorized Leave with Pay when a holiday occurs, the holiday shall be paid and not charged against sick or vacation leave.

C. Any employee whose regularly scheduled day off falls on a day designated as a holiday shall be entitled to an additional day off. The Department head shall schedule this additional day off at the mutual convenience of the District and the employee. This additional day should be scheduled as close as possible to the holiday as practical.

4.7 Approval of Leave.

A. All requests for leaves of absence, with or without pay, shall be made to the immediate supervisor for approval on forms prescribed by the Executive Director.

B. All requests for leave shall be submitted in advance of the beginning date of the leave, (except requests for unanticipated sick leave which shall be submitted for approval at the earliest possible time), and the duration and kind of leaves shall be recorded on the payroll. Supervisors are responsible for providing sufficient advance notice of any employee leave to ensure that the approval of leave by the Executive Director shall be made at a time and in a manner that permits consideration of District needs prior to the employee’s absence from work.

C. The Executive Director or (in the case of the Executive Director’s leave the Chair of the NCRTD Board) shall regulate annual leave usage by requiring the scheduling and preapproval of leave to ensure proper operation of the District. In no circumstances shall an entire department be permitted to take annual leave at the same time. Supervisors shall be responsible for scheduling annual leave and seeking pre-approval of leave to avoid unreasonable interference with District operations. Each employee is responsible for monitoring his/her leave balances and ensuring that he/she schedules leave in a manner that will avoid unreasonable interference with District operations and the loss or conversion of leave.

D. Paid leaves of absence are subject to the employee’s accrued leave balance and the scheduling requirements of the Department Manager.
E. All requests for leave without pay are subject to the rules set forth below.

4.8 Accrual and Use of Annual Leave.

A. Annual leave is accrued in accordance with the schedule below. Part-time employees accrue a pro-rated amount of Annual Leave based on their base budgeted hours. Temporary employees do not accrue Annual Leave. Periods of leave without pay shall not count for the purpose of accumulation of annual leave. Employees may accumulate annual leave, but only a limited amount may be carried forward from year to year based on the schedule below. All hours of annual leave that may not be carried forward by the end of last pay period in the calendar year will be credited to the employee’s sick leave balance on the first pay period of following calendar year.

</tbody>
</table>

B. Annual leave shall be taken for the actual number of hours absent from a normal work week and in increments of not less than 1/4-hour increments.

C. Annual leave requires the scheduling and preapproval of leave from the employee’s supervisor. If an employee calls off on a workday and request to use annual leave for a non-proven emergency event, the leave may be denied. The employee maybe placed on LWOP or AWOL for the time not worked and maybe disciplined up and to include dismissal.

D. Upon termination of employment an employee shall be paid for any annual leave which has been accrued but not taken.

E. The preceding rules apply to accruals of leave unless there is a written agreement by the District to the contrary in which case the contract rate shall apply.

F. The preceding caps on accumulated leave may be altered if an employee participates in the District sick leave incentive program and transfers sick leave to annual leave. At the time of such transfer and thereafter for the term of any employment with the District the employees annual leave cap shall be altered to allow for the higher cap permitted under these Rules.

4.9 Family Medical Leave Act, (FMLA).
A. Eligible employees are entitled to Family Medical Leave (FML) in accordance with the FMLA.

B. Employees who have been employed by the District for a total of at least twelve (12) months and who have worked at least 1,250 hours during the twelve (12) months immediately preceding the start of any period of proposed FMLA leave are eligible employees. During any period of unpaid leave, employees must continue to pay the employee’s share of health insurance premiums.

C. Eligible employees are entitled to a total of twelve (12) work weeks of FMLA leave during a rolling 12-month period measured backward from the date on which the employee last used any FML for:

1. Birth of a child of the employee and care for the newborn child.

2. Placement of a child with the employee by way of adoption or foster care.

3. Care for the spouse, child, parent or one who stood in place of a parent of the employee, if that person has a serious health condition.

4. A serious health condition that renders the employee unable to perform any of the essential functions of the employee's position; or

5. Any qualifying exigency when the employee's spouse, child or parent is on active duty or is notified of an impending call or order to active duty in the Armed Forces (including the Reserves and National Guard) in support of a "contingency operation."

6. Any other qualifying event as established by the FMLA.

D. Military Caregiver Leave Entitlement. Eligible employees are entitled to a total of 26 work weeks in a single 12-month period per-covered service member, per-injury, measured forward from the date the employee's leave begins, to care for a spouse, child, parent, or next of kin who is a service member undergoing medical treatment, recuperation or therapy, is on outpatient status, or is on the temporary disabled retired list for a serious injury or illness.

E. Employees are required to use all available paid leave concurrently with FMLA leave.

F. Employees shall not accrue annual and sick leave, nor be paid for holidays while on unpaid FMLA leave.

G. All medical records and correspondence relating to the employee and/or their family’s medical conditions shall be confidential and shall be protected from disclosure to the maximum extent permitted by law. However, the District reserves the right to demand, examine and retain such medical records as are necessary to ensure proper use of FMLA leave.

H. These Rules expressly authorize the District to adopt implementing policies for the administration of the FMLA and procedures for FMLA monitoring and use of FMLA leave.

I. The District shall require medical clearances to the extent and in the manner permitted by law as a precondition for return to work following the use of FMLA leave.
4.10 Sick Leave General Provisions.

Sick leave is provided as a benefit to prevent or minimize an employee’s loss of income during time lost due to personal and family illness or injury. Supervisors are responsible for controlling excessive absenteeism and abuse of sick leave by employees under their supervision. Employees are expected to utilize sick leave responsibly and should minimize their sick leave usage where possible.

A. Sick leave shall be taken for the actual number of hours absent from the office, and in increments of not less than 1/4 hour increments.

B. All sick leave shall be accounted for by reporting its use on the approved form for pre-scheduled sick leave or upon returning to work. Employees must submit a sick leave form within 24 hours or by the next scheduled work day after returning from an unexpected illness or injury. Failure to do so may result in leave without pay and disciplinary action. The Executive Director or their designee shall be authorized to approve all sick leave. The Chair of the NCRTD Board shall be authorized to approve all sick leave for the Executive Director.

C. Sick leave may be used for any period of approved absence with pay from regularly scheduled work resulting from an:

1. employee having an illness or injury which renders him/her unable to perform his/her duties;

2. an employee having a medical examination, consultation, or treatment by a licensed practitioner; or

3. an employee’s Immediate Family Member as defined by the FMLA, requiring his/her presence because of injury, illness or medical treatment.

A. Sick leave for full time employees shall be accrued at the rate of 3.077 hours per two-week pay period (80 hours per year) to a maximum of eleven-hundred twenty (1120) hours.

B. Sick leave may only be taken in the event of illness of the employee, or the employee's Immediate Family. The District may require the employee to furnish a written medical statement issued by a licensed physician or practitioner, or other evidence of illness that confirms the illness of the employee or their Immediate Family member, provides an estimate of when the employee will be able to return to work, states whether the employees incapacity will require intermittent treatments, states the estimated frequency and duration of such treatments, and provides the estimated period for recovery, if known. If the employee’s leave qualifies as protected leave under the FMLA, the District may require a medical certification as provided by federal law.

4.12 Sick Leave Incentive Transfer/Sell Back Program.
A. The following provisions shall apply to non-represented employees who are not already covered under the Collective Bargaining Agreement’s comparable program. The intent is to give non-represented employees an additional incentive to make judicious use of sick leave.

B. Annually, 15 days prior to the first pay period in December, employees who meet the criteria described below may elect to participate in the sick leave transfer/sellback program by completing the applicable forms.

C. All employees who are separated from the District payroll before one (1) year of employment shall not be eligible to transfer/sell back unused sick leave hours under this program.

D. Employees who have accumulated sick leave in excess of 80 hours are eligible to annually transfer to their vacation leave balance or to sell back up to 80 hours of sick leave or vacation leave or a combination thereof per year at the value listed below. Employees who utilize the annual sick leave transfer/sellback program must maintain a sick leave balance of 80 hours after transferring or selling any hours.

E. Those employees who participate in this program and transfer a minimum of 40 hours of sick leave will have their maximum vacation accumulation cap changed from the standard (two times annual accumulated leave) to three times the annual accumulation.

F. Employees utilizing the sell back of sick leave (rather than conversion to annual leave) for a calendar year will not be eligible to have their maximum vacation accumulation changed.

The percentage value at which sick leave maybe transferred to vacation leave or sold back is based upon the following:

<table>
<thead>
<tr>
<th>Number of Sick Leave Hours Used Annually (calendar year)</th>
<th>Percentage Transfer/Sell Back Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>24 hours or less</td>
<td>100%</td>

</tr>
<tr>
<td>33 – 40 hours</td>
<td>50%</td>
</tr>
<tr>
<td>41 hours or more</td>
<td>25%</td>
</tr>
</tbody>

B. Retirement – Any employee who retires from the District under the Public Employee Retirement Association (PERA) retirement system meets all PERA retirement requirements may be allowed to use his/her unused sick leave balance to extend his/her period of employment with the District prior to separation and retirement. Unused sick leave payment are made through continuation of the member on the regular payroll for the period represented by that payment. To be eligible for this benefit, an employee must file his / her intent to retire with PERA, the Executive Director, and the Human Resources Office.
4.14 Misuse of Sick Leave.

Misuse of sick leave by an employee affects the efficiency and productivity of other employees in the workgroup, especially those who seek assistance, advice, or guidance from an absent employee. Therefore, misuse of sick leave shall be cause for disciplinary action.

“Misuse” is considered the use of sick leave for that which it was not intended or provided. Examples of “misuse” may include, but are not limited to, the following:

1. Patterned sick leave usage before and/or after holidays.
2. Patterned period of sick leave usage before and/or after weekends or regular days off;
3. Patterned period of sick leave usage after pay days;

If a supervisor believes that an employee is misusing sick leave, the supervisor has the discretion to require a suitable explanation or documentation to determine whether the sick leave was used in accordance with this policy.

4.15 No Payment for Sick Leave upon Termination.

Upon termination of employment with the NCRTD, an employee shall not be paid for sick leave that has been accrued but not used.

4.16 Reporting Sick Leave.

Sick leave must be reported to the Executive Director, or the employee’s immediate supervisor, at a minimum, two hours in advance of the employee’s start of their workday. (Collective Bargaining Unit employees, please refer to your CBA.)

4.17 Exhaustion of Sick Leave and Absence without Leave.

If an employee has exhausted earned sick leave, and requests additional time off the Executive Director may either elect to reduce balances on any other leave such as vacation or compensatory leave or proceed with appropriate action under these rules in the event the employee fails to report for work as required.
4.18 Reporting Potential FMLA Eligible Leave.

Supervisors should refer all employees to Human Resources when an employee has announced they will be out for more than Three (3) days due to an injury, illness or temporary disability. If an employee’s absence is anticipated to be more than Three (3) days, or once the employee exceeds five (5) days of absence, due to either their own illness/injury or to their family member’s illness/injury, please refer the employee to Human Resources.

4.19 Reporting Return to Work Prior to Leave Expiration.

Employees not planning to return to work following an extended sick leave must notify their supervisor or the Human Resources Office prior to the expiration of the leave (as defined by the physician’s statement). An employee who does not return to work within the time frame specified by a physician may be subject to disciplinary action.

4.20 Leave Without Pay.

A. The District may grant leave without pay (LWOP) either when required to do so by law or when, in the District’s sole discretion, it determines that the following criteria are met:

1. The employee has exhausted all applicable accrued leave and compensatory time;
2. The employee has demonstrated a clear and reasonable basis for taking leave;
3. The District will not suffer undue hardship by holding open the employee’s current position or is reasonably certain it will have a position of like status and pay available at the same work location upon the return of the employee from LWOP.
4. The leave period will not exceed thirty (30) consecutive calendar days (in the case of probationary employees) or six (6) consecutive months (in the case of Classified Employees).

B. Employees shall not accrue sick or annual leave while on LWOP.

C. Employees are not eligible for paid holidays while on LWOP.

D. Employees who desire to continue insurance and other benefits provided by the District while on LWOP, must make advance arrangements to pay the employees share of monthly group insurance premiums for the covered employee and any covered dependents. Where the LWOP is granted on a discretionary basis (non-FMLA leave) the employee share of all employee benefits provided by the District shall be the full cost of the benefits. Failure to pay insurance premiums or other costs of benefits may result in cancellation of coverage. Payment will be due on the first day of the month but shall have a 30-calendar day grace period before the payment is deemed overdue and the District cancels or suspends the benefit program.

E. LWOP shall be recorded by the District on a Personnel Action Form.

F. Failure to report to work upon the expiration of approved LWOP may be grounds for disciplinary action up to and including termination.
G. Return from LWOP shall be recorded by the District on a Personnel Action Form.

H. The Executive Director is granted the maximum discretion permitted by law to implement the provisions of these Rules regarding LWOP as he or she deems necessary and appropriate for the efficient administration of the District.

I. Employees may be placed upon LWOP status involuntarily if they are the subject of Disciplinary Action that will result in termination.

A. Employees who fail to appear at work without authorized leave are considered absent without leave. Unauthorized absence may be grounds for disciplinary action up to and including termination.

B. An employee who is absent from work without authorized leave for three (3) days may be deemed by the Executive Director to have abandoned their job and voluntarily terminated their employment.

C. Employees who fail to obtain prior approval of leave where such prior approval is practicable may be subject to disciplinary action up to and to include dismissal.

4.22 Administrative Leave.

The Executive Director may authorize paid administrative leave if there are exceptional circumstances and the Executive Director determines that granting paid administrative leave is in the best interests of the District.
