G. Discussion and Review of the North Central Regional Transit District FY2015 Mid-Year Financial Summary Report

The North Central Regional Transit District (NCRTD) is currently reporting six months of financial activity. The standard for revenues and expenditures for the six-month period is 50% of the budget.

The total budget is $10,254,126, which includes a $494,200 budget increase that was approved by the Board of Directors at its January 9, 2014 meeting.

The NCRTD has received 37.2% of its revenue excluding budgeted cash balance. There is a two month lag in receiving gross receipts tax revenue and approximately one to two months in federal revenues. The anticipated surplus in revenues at year end is $92,441.

Midway through the fiscal year, expenditures were 34.8% of the budget, well below the 50% threshold. The percentage is low because the invoices for the second quarter for Non-RTD services have not been received. NCRTD expects to have a $100,535 surplus in expenditures by year end.

Commissioner Chavez made a motion to accept the report as presented. Mr. Montoya seconded the motion and it passed by a roll call vote (11-0).

H. Discussion and Review of the Draft North Central Regional Transit District Social Media Policy and Resolution 2015-04

This was a discussion of the draft NCRTD Social Media Policy and draft Resolution adopting the NCRTD Social Media Policy. The use of social media amongst transit agencies has become a standard means of disseminating information to riders and stakeholders. It allows the NCRTD to share information beyond the conventional website experience and creates a forum for conversations about issues important to its riders and those who might use the system.
