PRESENTATION ITEMS:

A. Presentation of AVL/CAD System

[The agenda was amended moving this item after Agenda Item F.]
The NCRTD has undertaken a very impressive and forward-thinking project to implement an Intelligent Transportation System (ITS) throughout its operations and fleet. The implementation of ITS will allow the NCRTD to be more responsive in its day-to-day operations, be more pro-active in its route and schedule planning, improve safety of riders and Staff alike, and it will ultimately allow the rider to use real-time passenger information to maximize usage of the NCRTD and the service it provides.

Throughout this Project, we have seen many milestones achieved, and plan to continue growing in our understanding of the Intelligent Transportation System and its functions and capabilities. As demonstrated in the PowerPoint, we are currently in the ‘Use’ phase: we are receiving ongoing training, getting our feet wet, and beginning to use the system and explore the ways in which we can maximize and utilize the system to its fullest. As we become more familiar and comfortable with the system and begin to better ‘Understand’ its capabilities, we expect to grow leaps and bounds in our abilities to maximize the information provided. Ultimately, we look forward to being able to use the Intelligent Transportation System to truly ‘Transform’ the way we provide transit service to the communities of North Central New Mexico.

ACTION ITEMS FOR APPROVAL/DISCUSSION:

B. Discussion and Consideration of Contract Award for the TAP/ADA Transition Plan

Commissioner Chavez made a motion to approve staff’s recommendation as presented. Mr. Bulthuis seconded the motion and it passed by unanimous voice vote (8-0).

C. Discussion and Review of §5311 Sole Source Bus Procurement for Fiscal Year 2015

At this time the District desires to purchase one MV-1 ADA low floor minivan for $55,362.00, which will replace an aging paratransit minivan that has exceeded its useful life in transit service.

It was recommended that the Board authorize the Executive Director to purchase 1- MV-1 ADA accessible minivan that would meet FTA vehicle procurement requirements and the District’s procurement policy as a sole source purchase in the amount of $55,362.00.
Commissioner Chavez made a motion to approve staff’s recommendation as presented. Commissioner Trujillo seconded the motion and it passed by unanimous voice vote (8-0).

D. Discussion and Consideration of Memorandum of Agreement with the Pueblo of Santa Clara for Fiscal Year 2012 Tribal Funding from the Federal Transit Administration

The NCRTD applied on behalf of Santa Clara Pueblo for FY2012 Public Transportation on Indian Reservations Program funds to support the continuation of existing services. Santa Clara Pueblo, as the direct recipient of said funds, has determined that the $140,000 is to be sub-allocated to the NCRTD to support existing transit services. The MOA attached hereto reflects the agreement made between the two entities and has been approved by both NCRTD and Tribal legal. The MOA put forth has been reviewed by FTA, and at its request, an electronic link to the FTA Master Agreement is to be included under Section 23.

It was recommended that the Board approve the MOA and authorize the approval of an amended MOA as anticipated related to the electronic link as well as any other modifications that are not of a substantive nature as determined by the District’s Legal Counsel and authorize the Chair to sign the same.

Mr. Vigil made a motion to approve staff’s recommendation as presented. Councilor Sheehy seconded the motion and it passed by unanimous voice vote (8-0).

E. Discussion and Consideration of Memorandum of Agreement with the Pueblos of Santa Clara, San Ildefonso, Tesuque and Pojoaque for Fiscal Year 2014 5311(c) Tribal Transit Funds

The NCRTD applied on behalf of its authorizing Member Pueblos for FY2014 Tribal Transit Program funds to support the continuation of existing services. The TTP funding allocation is based off of the information provided within the NTD reports that the NCRTD completes on behalf of the Pueblos. For FY14, TTP funding allocations for NCRTD Tribal Members (as submitted by NCRTD) were as follows:

- Pojoaque Pueblo- $38,557
- Pueblo de San Ildefonso- $41,232
- Pueblo of Santa Clara- $119,656
- Tesuque Pueblo- $45,433

Each Pueblo, as the direct recipient, has the choice as to how it would like to utilize said funds. Based on the decision made by each Pueblo, if it is determined that the Pueblo will sub-allocate the TTP award to the NCRTD, an MOA is required. The MOAs attached hereto reflects the agreement made between the two entities and has been approved by both NCRTD and Tribal legal. The MOA put forth has been reviewed by FTA for content. If any significant substantive
changes to the MOA are needed, the changes will be brought to the Board for approval.

It was recommended that the Board approve the MOA as well as any future modifications that are not of a substantive nature as determined by the District’s Legal Counsel and authorize the Chair to sign the same.

Mr. Vigil made a motion to approve this item as presented. Commissioner Chavez seconded the motion and it passed by unanimous voice vote (8-0).

F. **Discussion and Consideration of Memorandum of Understanding between Los Alamos County and North Central Regional Transit District for annual funding allocation**

This annual funding allocation from Los Alamos County to the NCRTD is essential in providing the funds for the federal matching contributions, operational costs and capital for regional transportation that the District provides. These funds are also utilized to provide for mid-day service to Los Alamos County. As of this date the NCRTD will have received $5,950,000 from Los Alamos County over the last seven years. Five hundred thousand dollars ($500,000) of the funds received from Los Alamos County were placed in a restricted revolving fund for operating and capital needs.

It was recommended that the Board authorize the chairman to execute the MOU as presented.

Mr. Bulthuis made a motion to approve staff’s recommendation as presented. Commissioner Chavez Seconded the motion and it passed by unanimous voice vote (8-0).
