Councilor Ring commented that there were two local newspapers in the Edgewood area in which ads could be placed.

Ms. Maes agreed that Mr. Nagel did a great job with the Marketing Plan. She added that she was at an event recently where she saw a coloring book and crayons for the children. The book had pictures and information about the RTD. She said the children loved them.

Mr. Mortillaro said the District would not be providing that equipment.
Mr. Montoya suggested that Mr. Mortillaro speak with individual Board members to see who would like electronic agendas and who would not and who had the necessary equipment.

Ms. Mermejo stated that Ohkay Owingeh was in support of their sister tribe, Nambé in this request.

The motion passed by unanimous voice vote.

Mr. Bultuis reported that he had just heard that Santa Fé County Commissioner Robert Anaya had introduced a resolution to the Santa Fé Board of County Commissioners that would negate the decision of the RTD Board at the last meeting that agreed to give a percentage of the GRT revenue from the RTD to the City of Santa Fé.

Mr. Bultuis had received the resolution text on his phone and read it to the Board.
Mr. Mortillaro said he had heard nothing about it.

Mr. Bulthuis clarified that it just happened today.

Mr. Mortillaro said he had been requested to attend an upcoming Board of County Commissioners meeting in Santa Fe. He suspected it must be to discuss this resolution. He felt uncomfortable since he could not make any changes to Board decisions.

Commissioner Barrone said that if at all possible, he would go to that meeting with Mr. Mortillaro.

Councilor Ring pointed out that the resolution was contrary to the RTD Board's decisions.

Mr. Bulthuis said he would update each Board member and Mr. Mortillaro with an email of the resolution wording. He added that the City of Santa Fe programs were counting on that funding source and would not be able to perform their service plan if they did not receive the funds.

Mr. Dwyer provided a procedural point. He said that Board members who didn't agree with Board decisions should take that up in the Board meeting instead of going outside of the Board with another entity.

Mr. Bulthuis noted that Tesuque Pueblo was in Santa Fe County and asked if they had been consulted about this.

Ms. Maes said that to her knowledge Tesuque Pueblo was not consulted. She added that this was an example of how they had been left out of discussions and decision making. Tesuque Pueblo had asked to be involved but it was not happening.

Mr. Bulthuis said he would provide the resolution language to the members.
