K.A. Charges of violations of this section shall be presented to the Executive Director or any supervisor or manager, who shall report it to the Executive Director. The Executive Director shall be responsible for any investigation necessary and may take any other appropriate action to enforce the purposes and intent of this section.

1.8 Workplace Violence

The District is committed to ensuring a safe working environment for all employees. Both management and employees have a responsibility to assist in establishing and maintaining a violence-free work environment. Therefore, each employee will report all acts of violence or behavior, which could potentially lead to violence.

A. Threats, threatening conduct, or any other acts of aggression or violence in the workplace will not be tolerated. Any employee determined to have committed such acts will be subject to disciplinary action, up to and including termination. Non-employees engaged in violent acts on the District’s premises will be reported to the proper authorities and fully prosecuted. Possession of weapons (not assigned as a tool of a job assignment) on any District premises, including parking facilities and District sponsored events constitute a threat of violence. The threat of violence may include, but is not limited to, any indication of intent to harm a person or damage District property. Threats may be direct or indirect and they may be verbal or nonverbal.
A.B. The District reserves the right to conduct workplace inspections at any time, with or without notice, for purposes of enforcing this policy, including searching:

1. Outer clothing, packages, handbags, briefcases, lunch bags, boxes, and/or other containers being taken in or out of the District's buildings, or to or from the District's premises;

2. Vehicles parked on District property (owned, leased or occupied), or District-owned vehicles;

3. All workstations, computer files, book shelves, lockers, desks, credenzas, file cabinets, store rooms and other areas.

Any refusal to permit an inspection upon request may result in corrective action. The discovery of any violation of any other District policy as a result of such search may also result in corrective action. Any illegal activity discovered during an inspection is subject to referral to the appropriate law enforcement authorities.

B.C. The District does not tolerate any type of workplace violence committed by or against employees. Employees are prohibited from making threats or engaging in violent activities. The following list of behaviors, while not exclusive, provides examples of conduct that is prohibited:

1. Threatening physical or aggressive contact directed toward another individual or engaging in behavior that causes reasonable fear of such contact.

2. Threatening an individual or the individual's family, friends, associates, or property with physical harm or behavior that causes a reasonable fear of such harm.

3. Intentional destruction or threat of destruction of the District's or another's property.

4. Harassing or threatening physical, verbal, written or electronic communications, including unnecessary and rude behavior intended to be offensive (bullying), verbal statements, phone calls, e-mails, letters, faxes, website materials, diagrams or drawings, gestures, and any other form of communication that causes a reasonable fear or intimidation response in others.

5. Stalking. Stalking is defined as a pattern of conduct over a period of time, however short, which evidences a continuity of purpose and includes physical presence, telephone calls, e-mails and any other type or correspondence sent by any means.

6. Veiled threats of physical harm or intimidation or like statements, in any form, that lead to a reasonable fear of harm or an intimidation response in others.

7. Communicating an endorsement of the inappropriate use of weapons of any kind.

8. Possessing weapons of any type on one's person during regular work hours, or at any time on District property. Weapons include, but are not limited to:
a. any firearm, loaded or unloaded, assembled or disassembled, including pellet, "BB" and stun guns, unless the possession of such firearm is licensed, authorized or permitted pursuant to state and/or federal law and expressly permitted by the District;

b. knives longer than 2.36 inches (and similar instruments) other than those present in the workplace for approved work purposes or for the specific purpose of food preparation and service;

c. brass knuckles, metal knuckles, and similar weapons;

d. bows, cross-bows and arrows;

e. explosives and explosive devices, including fireworks, ammunition, and/or incendiary devices;

f. throwing stars, nun-chucks, clubs, saps, and any other item commonly used as, or primarily intended for use as a weapon;

g. self-defense chemical sprays (mace, pepper spray) in canisters or containers larger than two ounces; and

h. any object that has been modified to serve as, or has been employed as, a dangerous weapon.

C.D. Domestic Violence. Domestic violence is defined as a pattern of coercive tactics carried out by an abuser against an intimate partner (the victim) with the goal of establishing and maintaining power and control over the victim. These coercive tactics can be physical, psychological, sexual, economic and/or emotional. Where the abuser’s tactics include any of the above-described conduct on District premises, this policy applies. Where such tactics include any of the above-described behaviors off District premises, this policy applies where the abuser is someone acting as an employee or representative of the District at the time, where the victim is an employee who is exposed to the conduct because of work for the District, or where there is a reasonable basis for believing that violence may occur against the victim or others in the workplace. The term "intimate partner” includes people who are legally married to each other, people who were once legally married to each other, people who have had a child together, people who live together or who have lives together, and people who have or had a dating or sexual relationship, including same sex couples.

D.E. No Violence Policy.

1. Any employee who is found to have committed workplace violence will be subject to corrective action and may be directed to stay away from District premises. Violators may also be subject to civil and criminal prosecution.

2. Additionally, where an employee is convicted of a crime of violence or threat of violence under any criminal code provision for non-workplace conduct, the District reserves the right to determine whether the conduct involved may adversely affect the legitimate business interests of the District, and as a result may implement corrective action. Any employee convicted of such a crime must report the conviction to the District absent a court order to the contrary. Failure to do so is a violation of this policy and subjects the employee to corrective action.
F. Risk Reduction Methods.

The District will maintain a **strict zero-tolerance policy** for acts of violence and threats of violence. Such incidents will lead to disciplinary action up to and including termination. While the District does not expect employees to be skilled at identifying potentially dangerous persons, employees are expected to exercise good judgment and to inform the Human Resources Office or their Supervisor if any employee exhibits behavior that could be a sign of potentially dangerous situations. Such behavior includes:

1. Discussing weapons or bringing them to the workplace;
2. Displaying overt signs of extreme stress, resentment, hostility, or anger;
3. Making threatening remarks;
4. Sudden or significant deterioration of performance;
5. Displaying irrational or inappropriate behavior.

E.G. Procedure.

1. Reporting Violations. Employees shall report any potentially dangerous situation which does or could violate this policy against violence in the workplace to a supervisor, or the Human Resources Office. Confidentiality will be maintained to the extent possible. All reports will be investigated and all appropriate action will be taken.

2. Reporting Procedure. An employee who believes that a threat or act of violence has been made against that employee or others should:

   a. Report the details immediately to the employee's supervisor, department director or Human Resources Office. Employees are encouraged to complete and **Incident Report Form** and return it to the supervisor or to the Human Resources Office as soon as possible. If an Incident Report form has not been completed by the employee, the supervisor shall complete the Incident Report form and forward the report to the Human Resources Office.

   b. If appropriate, in the good judgment of the employee and supervisors involved, call 9-1-1. Under this policy, decisions may have to be made quickly to prevent a threat from being carried out, a violent act from occurring, or a life-threatening situation from developing. Nothing in this policy is intended to prevent quick action to stop or reduce the risk of harm to anyone, including requesting immediate assistance from law enforcement or emergency response resources.

3. Failure to report any threats or acts of violence in violation of this policy is itself a violation of this policy, and may subject any employees involved to corrective action. This includes reports by supervisory personnel who may be privy to threats that have been made by another employee.

4. Retaliation against anyone for reporting an actual or suspected violation of this policy in good faith will not be tolerated and will subject the individual engaging in the retaliation to corrective action. Any complaints about retaliation may be reported in the same manner as violations of this policy are to be reported.

5. Investigation. All reported incidents of violence and threats of violence will be investigated as appropriate. The District will decide whether its workplace violence policy has been
violated and whether preventive or corrective action is appropriate. The District may consult with law enforcement authorities or other resources as it deems appropriate, and may require a fitness for duty examination or other professional assessment through providers chosen by the District to determine whether a perpetrator presents a threat to individuals in the workplace. If a violation of this policy occurs, the District will take appropriate preventive and corrective action.

3.6 False Reporting. In the event that it is determined through an investigation that any employee falsely accused another employee of a threat of violence, the accuser will be investigated and subject to corrective action.

1.12 American with Disabilities Act.

A. The District will not discriminate against qualified individuals with disabilities in regard to the application procedures, hiring, advancement, discharge, compensation, training, or other terms and conditions of employment.

B. The District will provide reasonable accommodation to qualified individuals with a disability so that they can perform the essential functions of the job.

C. An individual who can be reasonably accommodated for a job, without undue hardship, will be given the same consideration for a position as any other applicant.

The U.S. Department of Homeland Security, Immigration Control and Reform Act of 1986, requires that all newly hired, or re-hired, employees present documented proof of identity and eligibility to work in the U.S. Employees will be required to complete the Employment Eligibility Verification form, I-9 within three days of hire.

1.14 Drug and Alcohol Free Workplace.

A. As mandated by Federal law, it is the District’s policy that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, including alcohol, in or on any District owned property is prohibited.

B. All employees who hold a commercial driver’s license and are required to operate vehicles for the District as part of their employment are subject to the U.S. Department of Transportation substance abuse testing procedures as outlined in the Districts Drug and Alcohol policies including but not limited to the testing programs.

C. The District recognizes that employees are a valuable resource and wants to assist any employee who voluntarily comes forward and requests assistance with chemical dependency provided that the employee:

1. has not received notification to report for drug/alcohol testing in the six week period prior to his request for assistance,

2. has not been identified as a violator nor is under investigation for a violation of the District’s Drug and Alcohol policy, and
3. has agreed to utilize the services available through the District’s Health Insurance carrier.

D. Administrative policy may be developed further defining terms used in this Rule as well as procedures for implementation of Federal laws.

E. Employees found in violation of this Rule are subject to disciplinary action up to and including dismissal.

F. Employees who are not subject to U.S. Department of Transportation substance abuse testing will be subject to the District’s Drug and Alcohol policies for safety sensitive positions with the exception of those requirements related to random drug testing.

1.15 Employee Responsibilities.

A. It is the duty and responsibility of every employee to be aware of and abide by existing work rules and regulations.

C. Employees are required to be at their work stations in accordance with the established working hours for their respective work units. Supervisors are responsible for maintaining attendance and tardiness records on their employees.

D. Customer Service Standards for Dress and Appearance: The District is a professional organization. All employees will present a professional appearance by wearing attire appropriate for their job classification in order to promote a positive image to its customers. The general public frequently forms its initial impression of professional credibility solely on employee appearance. The appropriateness of attire as seen by the general public has a bearing on how other agencies and departments view employee professionalism and ultimately working relationships. This policy is intended to provide standards on dress and appearance and is not meant to address all situations. There may be differences in some divisions dress standards depending on the nature of the work environment, nature of the work performed, involvement with the public, required uniforms or other circumstances as defined by the supervisor.

1. All clothing and accessories should be functional, in good repair, and safe.

2. Employees not required to wear uniforms should wear clothing that is neat and clean, and suitable for business.

3. Employees required to wear uniforms should wear uniforms that are clean, fresh, and mended if necessary. Uniforms bearing a District identification patch may not be worn, unless on duty.

4. Personal hygiene is essential. Therefore it is necessary that all employees maintain a clean, presentable appearance. Personal hygiene includes bathing/shower, and such other steps as are reasonably necessary to ensure that employees do not offend customers or coworkers due to lack of hygiene.
E. Upon separation from the District, any and all District issued equipment, including but not limited to uniforms, identification patches, and keys must be returned to the District.

F. Employees are required to notify their department manager or the Manager’s Designee, their supervisor, and Human Resources Office if they have a change of residence or telephone number within ten (10) business days. Employees are required to notify the Human Resources Office if they have a change in domestic partnership, marital status (marriage, divorce, widowed) or change in number of dependents within fifteen (15) calendar days. New dependents not enrolled in the employee insurance benefits within fifteen (15) calendar days may be enrolled during the next open enrollment period.

B. Any revisions that may reflect a major change in policy should be submitted to the affected Managers, Supervisors and interested parties in order to obtain input concerning such revisions.

C. When a classification is revised, the title of classification and in some cases the salary range assignment may be affected. The salary of the individual employee in the revised classification may not be reduced or increased without the approval of the Executive Director.

D. When there are revisions to the classification system as a whole the revisions shall be submitted to the District Board for approval.
3.5 Allocation of Positions to Classifications.

approved unless they conform to the approved Compensation Plan.

No employee in the District shall be paid a salary less than the minimum nor greater than the
maximum of the salary range for the classification as fixed by the Compensation Plan unless
otherwise provided for in the Rules or approved by the Executive Director.

The entrance rate payable to any employee upon appointment to a position in the District shall be
the minimum rate in any applicable salary range, unless a higher rate, in-grade hire, is authorized

recruitment, or other valid reason.

with the classification level of the new classification.

range shall not be exceeded; the balance of the award must be taken in cash if the full

classification. The maximum pay range shall not be exceeded; the balance of the award
must be taken in cash if the full amount exceeds the maximum pay range.

higher or lower base pay –rate may be authorized upon promotion by the Executive
Director because of salary compaction; experience and qualifications; correction of

two steps in the event that the then current compensation plan provides for steps, but never
below the newly assigned salary range.

at least two steps in the event that the then current compensation plan provides for steps, but
never below the newly assigned salary range.

the same unless the Executive Director finds cause for a salary increase due to any change in
employment conditions.

C. Any period of leave without pay in excess of thirty (30) days shall not be credited as continuous service toward eligibility for a performance increase.

D. Service in emergency or limited term, or temporary status, when followed without a break in service by probationary appointment to the same classification, will be credited toward eligibility for a performance increase.

E. The Executive Director may authorize a salary increase to any rate in the salary range as an incentive for the emergency retention of exempt, classified regular and limited term employees who are offered employment outside of the District to retain them in their current positions. The following will be required:

1. Documented proof of outside job offer.

2. Increase, computed as a percent of the employee's salary, may be granted as a lump sum at the end of a service period, in installments over the course of service period but never to be provided in advance.

3. Before receiving an emergency retention, an employee must sign a written agreement to complete a specified period of service with the District.

F. When an employee’s salary reaches the maximum pay rate in the range for his/her position, the employee may be eligible for a cost of living adjustment based on a performance review by the Executive Director and determined and funded by the Board.

G. The Board may, upon appropriate notification of economic changes, approve a cost of living adjustment for some or all employees.

Overtime compensation will be paid to employee, as indicated below, only for actual hours worked. Overtime will be held to a minimum consistent with the needs of the District and service to its constituents. Overtime is normally allowed by management only in emergency situations or when service demands present no other reasonable alternative. However, when a supervisor has determined the need for overtime to be worked, employees are expected to work a proportional share of the overtime assigned to the employee's classification or work unit. Refusal to accept an overtime assignment and/or continued refusal to participate in voluntary overtime offered to the employee's classification may result in disciplinary action. All overtime must be scheduled and/or approved by the employee's supervisor in advance, except in emergency situations where advance approval cannot be obtained.

A. All follow up medical treatment must be coordinated by a physician designated by the District. If the District has not designated a physician the employee may see their personal physician.

B. Non-emergencies. An employee with a non-emergency, work related injury/illness shall see a physician designated by the District or their personal physician. That physician will provide medical treatment and/or initiate all referrals for advanced or specialized care, depending upon the nature of the medical problem.

C. Post-Accident Alcohol and Controlled Substance Testing (CDL and non CDL). These incidents are not covered under the Worker’s Compensation policy and instead shall be covered by the District’s Drug and Alcohol policy.

D. Compensation. The decision to approve or deny a claim for benefits is made by the District’s insurer of record, not by the District itself. If an employee’s claim is approved for benefits, any and all payments relating to the injury/illness will be made directly by the District’s insurer.

E. Waiting Period. There is a seven (7) day waiting period before an employee becomes eligible to receive payment for lost wages. Employees shall use sick leave, vacation leave or accumulated compensatory time for any time missed from work due to the work related injury/illness so that pay will continue from the District. If available leave has been exhausted, the employer will grant Leave without Pay (LWOP) for missed work time and all applicable provisions of the personnel rules will apply including those related to the payment of insurance premiums.

F. FMLA leave. Any applicable FMLA leave for serious health conditions as defined under FMLA, will run concurrently with employee’s worker's compensation absence. Because worker's compensation absences are not unpaid leave, the provisions for substitution of paid leave is not applicable. An employee whose Worker’s Compensation leave exceeds the FMLA leave period and who has exhausted all paid leave will be placed on LWOP pursuant to Section
4.13 of the personnel rules and all applicable provisions will apply including those related to the payment of insurance premiums.

8.3 Return to Work Procedures

Prior to returning to work, an employee injured in the course of employment shall obtain a release from the treating physician and shall take that release, including any restrictions to the Human Resources Office. If the employee is released without restrictions, he or she shall return immediately to his or her assigned work.
RULE 9 – RETURN TO WORK (FROM ILLNESS/INJURY) PROGRAM

Generally the District’s Return to Work (RTW) Program attempts to provide temporary modified work duty to employees who have suffered an injury or illness and as a result are not immediately able to return to their regularly assigned duties without modification to their work duties. The goal of the RTW Program is for the District to retain and accommodate injured/ill employees and to work with the employee’s physician to transition the employee back to full, unrestricted and unmodified work duties. The availability of modified work duties under the RTW Program is within the sole discretion of the District unless otherwise required by law. Notwithstanding any rule or provision herein to the contrary, the District shall at all times comply with requirements of the Americans with Disabilities Act and shall provide reasonable accommodations and such other measures as are required by law in the case of disabled persons.

9.1 Employees who experience an on the job injury or illness which results in their temporary inability to return to the full range of duties of their regular position classification, shall accept transitional work assignments if offered by the District.

9.2 Employees who experience an off the job injury or illness which results in their inability to return to the full range of duties of their regular position classification may be eligible for transitional work assignments if offered by the District and if consistent with the provisions of New Mexico and District workers’ compensation laws, rules and regulations.

9.3 Transitional work assignments will consist of work which is within the restrictions outlined by the employee’s health care provider. The employee’s health care provider must provide a specific listing of limitations and the anticipated recuperation time prior to the employee’s returning to work without limitations. Such assignments may include, but are not necessarily limited to:

A. Part-time or fulltime, with a temporary waiver of certain regular duties (reasonable accommodation), in an employee’s regular position classification; or

B. Part-time or full time in another capacity.

9.4 The District may require an employee to submit to an examination by a physician chosen by the District at the District expense, if the duration of the temporary assignment appears to be excessive, if the restrictions/limitations cannot be adequately interpreted or clarified with the employee’s physician, or if the District has reason to believe the employee’s release for duty is inconsistent with job requirements.

9.5 Employees assigned to transitional work assignments will receive their regular hourly rate of pay for their regular job classification for the number of hours worked in the transitional work assignment.

9.6 Assignment to transitional work depends upon the availability of such work and of work suitable to the employee’s medical restrictions. A transitional work assignment may be terminated at any time by the District.

9.7 Priority will be given to workers with job related injuries/illnesses and employees with non-job related injuries/illnesses who seek similar accommodations may be subject to personnel actions, modified work assignments or work schedules, or required use of leave in order to provide transitional work assignment to an employee injured on the job.

9.8 In no event will a modified duty assignment last for more than ninety (90) days in a 12-month
rolling calendar year. This applies to both work-related and non-work related conditions. The 90 days may be continuous or intermittent. If the employee is not able to return to full duty following 90 days of continuous or intermittent modified duty assignment, an evaluation will be conducted by the Human Resources Office to identify available options, which may include consideration of medical retirement or separation. The District reserves the right, for good cause, to discontinue a modified-duty assignment at any time. Good cause shall include, but not be limited to, unavailability of temporary work, operational requirements of the District which make temporary assignment impracticable, or the employee’s inability to satisfactorily perform the duties of the modified duty assignment.

9.9 Employees refusing to work transitional work assignments may not be eligible for workers' compensation benefits or paid leave benefits. Transitional work assignment for employees with workers’ compensation claims or receiving workers’ compensation benefits will be made consistent with the provisions of New Mexico Worker’s Compensation Act, NMSA 1978 §§ 52-1-1 et seq., (the “Act”) along with State and District rules. Employees refusing transitional work assignments may be subject to corrective action. If the employee’s health care provider will not authorize transitional work, the District may take appropriate action as allowed by law.

9.10 Employees unable to return to work due to injury/illness may be separated from District employment as provided for under Section 4.24 of the Personnel Rules.
RULE 10 – WORKPLACE VIOLENCE

The District is committed to ensuring a safe working environment for all employees. Both management and employees have a responsibility to assist in establishing and maintaining a violence-free work environment. Therefore, each employee will report all acts of violence or behavior, which could potentially lead to violence.

Threats, threatening conduct, or any other acts of aggression or violence in the workplace will not be tolerated. Any employee determined to have committed such acts will be subject to disciplinary action, up to and including termination. Non-employees engaged in violent acts on the District’s premises will be reported to the proper authorities and fully prosecuted. Possession of weapons (not assigned as a tool of a job assignment) on any District premises, including parking facilities and District sponsored events constitute a threat of violence. The threat of violence may include, but is not limited to, any indication of intent to harm a person or damage District property. Threats may be direct or indirect and they may be verbal or nonverbal.

The District reserves the right to conduct workplace inspections at any time, with or without notice, for purposes of enforcing this policy, including searching.

10.3 The District does not tolerate any type of workplace violence committed by or against employees. Employees are prohibited from making threats or engaging in violent activities. The following list of behaviors, while not inclusive, provides examples of conduct that is prohibited:

— Threatening physical or aggressive contact directed toward another individual or engaging in behavior that causes reasonable fear of such contact.

— Threatening an individual or the individual’s family, friends, associates, or property with physical harm or behavior that causes a reasonable fear of such harm.

— Intentional destruction or threat of destruction of the District’s or another’s property.

— Harassing or threatening physical, verbal, written or electronic communications, including unnecessary and rude behavior intended to be offensive (bullying), verbal statements, phone calls, e-mails, letters, faxes, website materials, diagrams, or drawings, gestures, and any other form of communication that causes a reasonable fear or intimidation response in others.

— Stalking. Stalking is defined as a pattern of conduct over a period of time, however short, which evidences a continuity of purpose and includes physical presence, telephone calls, e-mails and any other type or correspondence sent by any means.

— Veiled threats of physical harm or intimidation or like statements, in any form, that lead to a reasonable fear of harm or an intimidation response in others.

— Communicating an endorsement of the inappropriate use of weapons of any kind.

— Possessing weapons of any type on one’s person during regular work hours, or at any time on District property. Weapons include, but are not limited to, any firearm, loaded or unloaded, assembled or disassembled, including pellet, “BB” and stun guns, unless
the possession of such firearm is licensed, authorized or permitted pursuant to state and/or federal law and expressly permitted by the District;

— knives (and similar instruments) other than those present in the workplace for approved work purposes or for the specific purpose of food preparation and service;

Domestic Violence. Domestic violence is defined as a pattern of coercive tactics carried out by an abuser against an intimate partner (the victim) with the goal of establishing and maintaining power and control over the victim. These coercive tactics can be physical, psychological, sexual, economic and/or emotional. Where the abuser’s tactics include any of the above-described conduct on District premises, this policy applies. Where such tactics include any of the above-described behaviors off District premises, this policy applies where the abuser is someone acting as an employee or representative of the District at the time, where the victim is an employee who is exposed to the conduct because of work for the District, or where there is a reasonable basis for believing that violence may occur against the victim or others in the workplace. The term “intimate partner” includes people who are legally married to each other, people who were once legally married to each other, people who have had a child together, people who live together or who have lives together, and people who have or had a dating or sexual relationship, including same-sex couples.

10.4 No Violence Policy.

— Any employee who is found to have committed workplace violence will be subject to corrective action and may be directed to stay away from District premises. Violators may also be subject to civil and criminal prosecution.

— Additionally, where an employee is convicted of a crime of violence or threat of violence under any criminal code provision for non-workplace conduct, the District reserves the right to determine whether the conduct involved may adversely affect the legitimate business interests of the District, and as a result may implement corrective action. Any employee convicted of such a crime must report the conviction to the District absent a court order to the contrary. Failure to do so is a violation of this policy and subjects the employee to corrective action.

10.5 Risk Reduction Methods.

The District will maintain a strict zero-tolerance policy for acts of violence and threats of violence. Such incidents will lead to disciplinary action up to and including termination. While the District does not expect employees to be skilled at identifying potentially dangerous persons, employees are expected to exercise good judgment and to inform the Human Resources Office or their Supervisor if any employee exhibits behavior that could be a sign of potentially dangerous situations. Such behavior includes:

— Discussing weapons or bringing them to the workplace;
— Displaying overt signs of extreme stress, resentment, hostility, or anger;
— Making threatening remarks;
— Sudden or significant deterioration of performance;
— Displaying irrational or inappropriate behavior.

10.6 Procedure.

— Report the details immediately to the employee’s supervisor, department director or Human Resources Office.

— If appropriate first, in the good judgment of the employee and supervisors involved, call 9-1-1. Under this policy, decisions may have to be made quickly to prevent a threat from being carried out, a violent act from occurring, or a life-threatening situation from developing.
Nothing in this policy is intended to prevent quick action to stop or reduce the risk of harm to anyone, including requesting immediate assistance from law enforcement or emergency response resources. Failure to report any threats or acts of violence in violation of this policy is itself a violation of this policy, and may subject any employees involved to corrective action. This includes reports by supervisory personnel who may be privy to threats that have been made by another employee.

Retaliation against anyone for reporting an actual or suspected violation of this policy in good faith will not be tolerated and will subject the individual engaging in the retaliation to corrective action. Any complaints about retaliation may be reported in the same manner as violations of this policy are to be reported.

Investigation. All reported incidents of violence and threats of violence will be investigated as appropriate. The District will decide whether its workplace violence policy has been violated and whether preventive or corrective action is appropriate. The District may consult with law enforcement authorities or other resources as it deems appropriate, and may require a fitness for duty examination or other professional assessment through providers chosen by the District to determine whether a perpetrator presents a threat to individuals in the workplace. If a violation of this policy occurs, the District will take appropriate preventive and corrective action.

False Reporting. In the event that it is determined through an investigation that any employee falsely accused another employee of a threat of violence, the accuser will be investigated and subject to corrective action.
