About Timed Bus Stops, Other Bus Stops, and How to Read the Schedule

- Timed bus stops are major stops along the route.
- Timed bus stops are reference points indicating when the bus will be at each major stop.
- Other bus stops may be in between timed bus stops. These stops are shown on the map but not listed in the schedule because they are very close in time to one or more timed bus stops.
- To determine when to catch the bus, find the timed bus stops nearest your stop, and read the schedule from left to right.
- To know when you should arrive at a stop that is between the listed time points, use the time from the timed bus stop before your stop. *Timed bus stops are approximate, so plan to arrive at the bus stop five minutes early.
