More Than Just a Ride

At the Blue Bus, we believe transportation is about more than just getting from one place to another. It's about building stronger communities, supporting local businesses, and ensuring everyone has access to the places and services that matter most.

What Is the Blue Bus?

The North Central Regional Transit District Blue Bus offers free routes connecting key towns like Taos, Española, and Santa Fe, making it easier for both residents and visitors to access important destinations throughout the region.
