Get Back to School with the Blue Bus

As backpacks are packed and alarm clocks reset, the Blue Bus is here to make the transition back to school easy, reliable and completely free.

Did you know that students as young as 10 can ride the Blue Bus on their own? Whether they're heading to elementary school, middle school, high school or college, we're proud to offer a safe and dependable way to get to class.

Many of our routes include stops right at or near school campuses across the region. Our fare-free fixed routes are a great option for students and families alike. For areas not served by a fixed route, MyBlue™ door-to-door service is available in several zones, including Española, Taos, Pojoaque/Nambé and Edgewood, making it easy to get to and from school no matter where you live.

Need to get to Northern New Mexico College? Hop on route 190 Chama for a direct ride, or schedule a MyBlue™ trip in our Española zone that fits your schedule. Utilize our MyBlue™ Taos zone to get you to and from the University of New Mexico Taos campus when and where you need it. For rides to the University of New Mexico Santa Fe campus, hop on our 255 Mountain Trail or 280 Eldorado routes to get you within walking distance of the campus.

We're here to connect students of all ages with the education opportunities that matter most.

So this school year, skip the carpool chaos and ride the Blue Bus instead. It's a smart, stress-free way to start the day.
