

**LEGAL NOTICE**  
**North Central Regional Transit District (NCRTD)**  
**Public Hearings – Friday, March 6, 2026**

Notice is hereby given that the North Central Regional Transit District (NCRTD) will hold two Public Hearings on **Friday, March 6, 2026, at 9:30 a.m.** during its regular Board of Directors meeting at the NCRTD Headquarters, **1327 North Riverside Drive, Española, New Mexico.**

**Public Hearing No. 1 – Proposed Amendment to Major Service Change Policy**

The purpose of this hearing is to receive public comment on proposed amendments to NCRTD’s Major Service Change Policy. The current policy defines a major service change as one that affects more than 25% of the entire network or an individual service in terms of route path, bus stop location, schedule, cost allocation, or fare changes.

The proposed amendment would revise the definition to clarify that a major service change is defined as service change that:

- Affects more than 25% of the entire NCRTD network calculated by vehicle revenue miles and/or vehicle revenue hours;
- Affects more than 25% of a route or service calculated by route path, vehicle revenue miles, and/or vehicle revenue hours;
- Creation or elimination of a route or service, and/or
- Any change in fares.

**Public Hearing No. 2 – Proposed Service Increase on Routes 320 and 330**

The purpose of this hearing is to receive public comment on a proposed service increase for:

- **Route 320 – Questa**
- **Route 330 – Peñasco**

Both routes currently operate two round trips per weekday (Monday–Friday). NCRTD proposes to add one additional midday round trip to each route, increasing service to three daily round trips. If approved by the Board, the proposed service changes would take effect on **Monday, April 13, 2026.**

Members of the public are invited to attend and provide comment in person at the hearing. Written comments may also be submitted to NCRTD prior to the meeting date.

For additional information, please contact NCRTD at (866) 206-0754 or visit [www.ncrtd.org](http://www.ncrtd.org)
