Celebrating Transit Employee Appreciation Day

On March 18, the Blue Bus is celebrating our team on Transit Employee Appreciation Day, a time to recognize the dedicated Blue Bus team members who make fare-free transit possible for our communities. From our drivers and dispatchers to our fleet and facilities crew and office staff, every single person plays a vital role in keeping the Blue Bus running smoothly.

What is Transit Employee Appreciation Day?

Transit Employee Appreciation Day is an annual event to recognize the drivers, mechanics, dispatchers and behind-the-scenes staff who help our community members get where they need to go safely, smoothly and with a smile.

From early mornings to snowy roads, our team shows up and goes the extra mile to serve our communities. This day is all about saying thank you to the people who keep us connected.

Why It Matters

Transit isn't just about buses, it's about people. Our Blue Bus team members work every day, making sure you can get to work, school, medical appointments, the grocery store and back home again. They keep us connected, and when we take a moment to share our appreciation, it reminds them how much they matter to all of us.

How You Can Participate

Join us in celebrating Transit Employee Appreciation Day by leaving a review for our amazing Blue Bus employees! From now until March 18, take a moment and help us spread the gratitude by:

-  Sharing a compliment with your driver
-  Writing a note of appreciation using the form on ThankYouBlueBus.com or scanning the QR code.

We'll be sharing your kind words with our team to keep the good vibes rolling. Let's make sure our transit heroes know just how appreciated they are!

Our Blue Bus Team

It takes a hardworking and passionate team to keep the Blue Bus moving, and every department plays a vital role in serving our communities.

Our drivers navigate the roads, our operations team support our drivers and overall service, and our Customer Service Representatives help our riders book rides, plan their trips and provide them with helpful information.

Behind the scenes, our Fleet and Facilities team keep our buildings, bus stops, MyBlue™ vans and buses clean, safe and operational.

The administrative team, our Finance, Marketing, Planning, Legal and Human Resources departments work together to ensure the Blue Bus continues to provide a reliable, fare free service.

Though we each have different responsibilities, we are all working toward the same goal: connecting people to the places they need to go. Whether it's ensuring a bus is on time, maintaining vehicles, assisting riders or planning future routes, every team member contributes to making public transit possible.

Together, we're more than just a transit system - we're a community, and this month, we celebrate the people who make it all happen!
